

Therma-Tru launches EnLiten flush-glazed internal blinds for Smooth-Star doors

[MAUMEE, OHIO, Jan. 7, 2019 –] Therma-Tru Corp. is launching new EnLiten flush-glazed internal blinds for Smooth-Star doors, providing seamless style and controllable privacy.

Smooth-Star doors with internal blinds featuring EnLiten flush-glazed designs deliver simplicity and convenience with contemporary appeal. Discover attractive, durable entry solutions for around the house, including patio, side and back doors allowing for optimal daylight and outdoor views, or complete privacy.

“Internal blinds provide homeowners with the ability to control the amount of natural light in their homes, while maintaining a sense of privacy and security,” said Donna Contat, director of product management at Therma-Tru Corp.

EnLiten flush-glazed designs deliver a larger daylight opening and feature a simple Shaker-style sticking profile with no added embellishments around the glass.

Internal blinds feature a cordless design for a clean and simple aesthetic. Homeowners can control the desired level of light and privacy by opening, closing, raising or lowering the blinds with the simplicity of a single handle.

“Internal blinds are kid- and pet-friendly, and the cordless blinds enclosed between glass remain dust free,” said Contat.

Smooth-Star doors with internal blinds featuring EnLiten flush-glazed designs will be available in a wide range of sizes, including 6'6", 6'8" and 8'0" doors, and will be available to order starting March 4, 2019.
